

Expert Care, Trusted by
Physicians & Families

OUR HOSPITAL

KPC Promise Hospital of Phoenix is a hospital dedicated to patients who require additional specialized hospital care during recovery.

Our 48-bed hospital offers Arizona's only licensed LTACH ICU and focuses on recovery, while providing each patient with the highest caliber of healthcare services. We offer all private rooms to enhance the healing process. We want every patient we meet to experience our **Expert Care, Trusted by Physicians and Families.**

We accept most insurance, Medicare and Medicaid policies. To arrange a tour or if you have any questions, contact our Admissions Office at (480) 427-3020.

SERVICES AND PROGRAMS

KPC Promise Hospital of Phoenix provides the following healthcare services and programs to the community:

-  Licensed ICU / Critical Care Services
-  Advanced Respiratory Recovery & Ventilator Weaning
-  Complex Wound Care
-  Extended IV Therapy with Infectious Disease Management
-  Bridge to Rehabilitation Program

WHY DO I NEED TO GO TO A LONG-TERM ACUTE CARE HOSPITAL?

Patients who require further recovery that is too complex for home care, nursing facility or acute rehabilitation, may be transferred to a LTAC hospital for specialized care.

While at our hospital, patients continue to benefit from services offered in a traditional hospital such as daily physician monitoring, 24-hour coverage by licensed nurses and respiratory therapists, and a complete therapy team including physical, occupational, and speech therapy.
